2	The Minister of Information , Ghazi Al - Aridi , noted a failure in taking care of youth , and he called for greater attention to be paid to them by engaging in dialogue and listening to their fears and questions .
	He called on young people not to yield to the logic of depression , because they are the hope of the future and will play a major role in it .
	in an open dialogue with a group of young people , held in the La Segal hotel at the invitation of Parliament Member Jean Augaspian , Al - Aridi criticized " the absence of a comprehensive political project through which youth can take part in life . It is a big problem that fuels conflicts in our country , " he said .
5	Al - Aridi pointed out that " the greatest danger facing youth is the flood of information , which creates intellectual and political confusion , develops emotional reactions , and causes division . "
